Honorable Commissioner for Patents
Alexandria, VA 22313-1450

Dear Sir:

Appellants want to update the information presented to the Honorable Board in the Appeal Brief filed on November 27, 2007 in the above application.

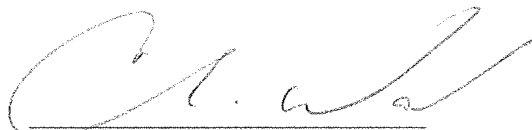

The Appellants want to update Section II. entitled “RELATED APPEALS AND INTERFERENCES” by bringing to the attention of the Honorable Board the filing of an Appeal Brief on December 11, 2007, in U.S. Patent App. Serial No. 10/136,584, entitled “Method of Protecting and Managing Digital Contents and System for Using Thereof,” which may be related to, directly affect or be directly affected by or have a bearing on the Board's decision in the present appeal. As of the filing of the present document, no decision is believed to have been rendered by the Board in response to the Appeal Brief filed on December 11, 2007, in U.S. Patent App. Serial No. 10/136,584.

Appellants believe the record is thus complete, and therefore await further action in response to the Appeal Brief filed on November 27, 2007.

Respectfully Submitted,

DITTHAVONG MORI & STEINER, P.C.
